PROFESSIONAL SUMMARY

Dedicated and compassionate healthcare Assistant worker with over one(1) year of experience providing essential assistance and care to Residents/Patients. Proficient in various aspects in care including assisting in personal care, skilled in maintaining a clean and safe environment while ensuring Resident comfort and dignity. I possess a strong commitment to promoting the well-being and independence of individuals under care. Excellent communication and interpersonal abilities enable effective collaboration with healthcare Professionals and the delivery of personalised resident support. Committed to upholding the highest standard of care and adhering at all relevant regulations and protocols. I also have seven years of experience in teaching with a proven ability to create a positive and imaginative learning environment for students.
