PERSONAL STATEMENT

I am a healthcare support worker who is caring, compassionate, enthusiastic, and highly motivated. I have expertise in providing effective care in a safe and therapeutic environment. My primary goal is to maintain the health, safety, and holistic development of patients. I am an effective team player with years of experience working in multidimensional teams, and I work harmoniously with other team members to achieve the set aims and objectives of the organization.

As a noble professional, I have adequate knowledge of care ethics and national care standards, enabling me to contribute to making patients feel comfortable and well cared for. I possess excellent interpersonal and communication skills and can prioritize my own workload while managing time effectively.

Many care professionals and care stakeholders have commended me for providing dignified and dependable care while caring for users in Nigeria and the United Kingdom. I am enthusiastic about learning and willing to undertake further training and mandatory updates on the job as required.
