## REFERENCE

- On request

Compassionate support worker ready to bring out my best in the healthcare industry. Committed to making service users feel comfortable and secure. Proficient in cleaning and sanitising service users' rooms, documenting their observations, and supporting them to achieve activities of daily living. Am responsible and passionate about delivering outstanding quality and service.

## EXPERIENCE

October 2022 - I currently work here

**Support Worker *Glenholme Healthcare***, Peterborough, Cambridgeshire

- Assisted clients in taking ownership of financial responsibility and management of personal care.
- Provided support in social, physical and emotional areas to assist clients with integrating into local community.
- Tracked and documented client behaviours, activity engagement, skills development and notable incidents.
- Built strong, trusting relationships with patients by providing continuous support and delivering best possible care.
- Helped families and patients with various matters such as making meals, conducting housework and sorting paperwork.
- Organised engaging outdoor and indoor workshops and activities to improve physical, emotional and mental wellness.
- Assisted patients with basic hygiene activities when required, such as washing and bathing.

June 2022 - Current

**Health Care Assistant *MIDCO CARE***, Peterborough, Cambridgeshire

- Charted patient information such as mood changes, mobility activity and daily inputs and outputs.
- Actively listened to patients' complaints and feedback, actioning improvements to continuously elevate quality of care.
- Monitored patient health, behavioural and physical changes, promptly reporting concerns to ward supervisor.
- Established friendly rapport with patients to promote positive health and wellbeing.
- Provided 24-hour care by periodically monitoring and recording patient status, highlighting concerns to nursing staff.
- Maintained and updated digital patient records and medical information.
- Provided quality personal care, such as dressing and bathing, while maintaining respect and sensitivity.
- Built strong, trusting relationships with patients by providing continuous support and delivering best possible care.
- Promoted and encouraged independence while assisting patients with daily routines.
- Kept public areas clean and hygienic by performing routine sanitisation tasks.

- Utilising equipment to move patients when necessary
- Helping tidy the patient's room
- Talking to patients and reassuring them
- Assisting nurses and other staff when needed
- Adhering to professional standards.

November 2021 - December 2021

**Warehouse Operative *Single Resource: Job and Talent***, Kettering, North Northamptonshire

- Understood warehouse product placement, enabling efficient picking and packing services.
- Identified and removed damaged products, quickly replacing items with quality stock to minimise customer delays.
- Transported pallets and heavy stock using forklift equipment.
- Consistently complied with workplace health and safety measures to minimise operational risk.
- Transferred materials weighing up to 10kg above head using safe manual lifting techniques.
- Carried out day-to-day warehouse duties with care and attention, maintaining compliance with safety standards.
- Assisted team members with picking, packing and processing tasks to increase overall warehouse efficiency.
- Maintained excellent physical fitness levels to safely lift and manoeuvre heavy orders and deliveries.
- Operated large machinery, forklifts and cranes whilst maintaining excellent safety standards.
- Minimised breakage by securing loads securely onto crates before transport.
- Placed baggage onto conveyor belts to move items quickly between internal destinations.
