Compassionate and dedicated healthcare assistant with over 6 years of experience providing exceptional support to patients in diverse healthcare settings. I am good at building meaningful relationships with patients and their families, ensuring they feel heard and cared for during their treatment journey. My skills include assisting with daily living activities, administering medications, and maintaining accurate patient records, all while adhering to safety and hygiene protocols. I am passionate about promoting patient well-being and am committed to delivering high-quality care with empathy and respect. I look forward to contributing my skills to a team that values patient-centered care.
