LUKMAN ADAMU CHAGWA . RN, RM, BNSc.

Career Objective

I am a highly motivated and competent Registered Nurse (RN) and Registered Midwife (RM) holding a Bachelor's degree in Nursing Science (BNSc). My expertise lies in diagnosing diseases through symptom analysis and applying nursing, midwifery, and nutrition knowledge for early recovery. I excel in building strong patient relationships, providing emotional support, and educating patients and families on various medical procedures. I am actively seeking a challenging role to leverage my knowledge, initiative, and professional skills for the organization's growth. As an independent and enthusiastic individual, I'm eager to tackle new projects and contribute to the organization's success.

Experience
